

How to get on DCFS' official referral website

Hello My Provider Friends,

Want to have your agency listed as an official DCFS referral source County-wide?

Click on this link: <http://lakids.dcfs.lacounty.gov/dcfs/resources/Agency211register.pdf>

To apply to have your agency listed on the DCFS referral locator website. Contact me if this doesn't work for you.

Also, refer your clients to this site <http://dcfs.healthycity.org/c/point/yk/071> and the Healthy Cities site directly for DCFS approved referrals.
