Homeless CalWORKs Families Project

The Homeless CalWORKs Families Project is a Board approved project involving a collaborative effort between County of Los Angeles Department of Public Social Services and Department of Mental Health, Los Angeles Homeless Services Authority and Los Angeles County Community Development Commission Housing Authority.

The goal of the Homeless CalWORKs Families Project is to locate CalWORKs homeless families, stabilize them and remove mental health barriers to employment and housing.

Homeless CalWORKs Families Project Benefits:

- Transportation and Childcare;
- Job leads, services and linkage to vocational/employment agencies;
- Intensive case management and outreach services;
- Agency assistance with completion of housing applications/paperwork;
- Informational group meetings and presentations including; Parenting, Budgeting, Renter Guidance and much more;
- Linkage to housing resources.

*Help families overcome their barriers to
employment and housing!*
